

To all known creditors

20 November 2014

Our ref: CND/LN/Euromix/AM31

Dear Sirs

Euromix Concrete Limited - in administration (“the Company”)

Extension of the administration

We are approaching the first anniversary of our appointment and, unless the period of the Administration is extended, the Administration will automatically end on 19 December 2014. For the reasons set out in our progress report, we consider that a six month extension is required until 19 June 2015 and, in the circumstances of this case, it is for the secured and unsecured creditors to decide whether that extension is granted.

This extension will allow additional time to deal with the remaining book debts, and a distribution to unsecured creditors.

Please complete the enclosed form to indicate your approval, or otherwise, and return it to me in the pre-paid envelope provided before 8 December 2014.

In accordance with section 246B of the Insolvency Act 1986 and Rule 12A.12 of the Insolvency Rules 1986, I give notice that the following document is available to view and download at the following address:
