

Lehman Brothers International (Europe) (in administration) ("LBIE")

Notice of Intended Distribution

Date: 02 December 2013

Capitalised terms used but not otherwise defined have the meanings ascribed to them in the Common Terms forming part of the Claim Resolution Agreement, dated 29 December 2009, as amended and restated from time to time, and the Omnibus Settlement Agreement, dated 28 February 2013, as amended and restated from time to time.

The Company hereby gives Notice in accordance with Clause 14.1 of the Common Terms, that the Company has nominated 09 December 2013 as the Cut-Off Date and 30 January 2014 as the proposed Distribution Date in relation to the second Common Terms Distribution. The proposed Distribution Date is indicative and the actual Distribution Date may be different from the proposed Distribution Date.

The Eligibility Status of each Consenting Beneficiary at any point of time is as indicated on the Portal. Each Consenting Beneficiary should check its status on the Portal and take the necessary steps to ensure that it is eligible for the purposes of the distribution by the Cut-Off Date. If a Consenting Beneficiary is unsure about the steps it needs to take to become eligible, it should contact its usual LBIE contact or send an email to generalqueries@lbia-eu.com.

In order to be eligible to participate in this Common Terms Distribution, Consenting Beneficiaries must be eligible on both the Cut-Off Date and on the Distribution Date. A Consenting Beneficiary who is shown as not eligible to participate in the distribution on the Portal on the Cut-Off Date will not participate in this Common Terms Distribution, but will participate in future Common Terms Distributions provided it has by then become eligible.

Consenting Beneficiaries are reminded that to enable the Company to make a payment to them (if any) in connection with this Common Terms Distribution, the Consenting Beneficiary needs to provide and confirm standard settlement instructions ("SSIs") for payment in USD via the Portal.
