I understand that as an opted-out creditor:

- I will remain an opted-out creditor for the duration of the administration of the bankruptcy estate by the joint trustees in bankruptcy unless I revoke the opting out.
- I can, at any time, revoke my election to opt out by a further notice in writing, signed and dated by me and delivered to the joint trustees in bankruptcy. I will then cease to be an opted-out creditor from the date that the notice is received by the joint trustees in bankruptcy.
