## Why we've sent you this report

We're writing to update you on the progress of the administration of the Company in the six months since our last report dated 25 March 2022.

You can still view our earlier reports on our website at [www.pwc.co.uk/maplin](http://www.pwc.co.uk/maplin). Please get in touch with Catherine Elliott on 0113 289 4076 or at [catherine.elliott@pwc.com](mailto:catherine.elliott@pwc.com) if you need the password to access the reports.

## How much creditors may receive

The following table summarises the possible outcome for creditors, based on what we currently know.

Class of creditor	Paid to Date £	Current Estimate (%)	Previous estimate (%)
<b>Secured creditor - Wells Fargo</b>	11.2m	Paid in full	Paid in full
<b>Secured creditor - Rutland</b>	14.5m	14%	14%
<b>Preferential creditors</b>	Nil	N/a	N/a
<b>Unsecured creditors</b>	600k	Paid 1.04%	Paid 1.04%

*\*Please note this guidance on dividends is only an indication and should not be used as the main basis of any bad debt provision or debt trading.*

Wells Fargo had a first ranking fixed and floating charge over the Company's assets and were repaid in full shortly following our appointment.

Rutland holds second ranking security over the Company's assets and on our appointment was owed £102m inclusive of accrued interest. To date, Rutland has received distributions totalling £14.5m. We estimate that Rutland will receive a further and final distribution; however, they will suffer a shortfall on their security.

On leaving, all employees received their wages payments in full as well as any payments for holiday accrued but not taken in accordance with the Company's holiday policy. As such, we do not consider there to be any preferential creditors.

In December 2019, a first and final dividend was paid to unsecured creditors from the prescribed part at a rate of 1.04%. This was a better result than the less than 1% originally estimated. There will be no further distribution to unsecured creditors.

## What you need to do

This report is for your information and you don't need to do anything.

# Overview of what we've done to date

For details of the work we have done to date, please refer to our previous progress reports, which can be found on our case website: [www.pwc.co.uk/maplin](http://www.pwc.co.uk/maplin). If you would prefer a hard copy of any of the previous reports, please contact Catherine Elliott by email at [catherine.elliott@pwc.com](mailto:catherine.elliott@pwc.com).

When we last reported, the key outstanding matters in the administration were as follows:

- Finalise insurance matters;
- Conclude the Company's legal claim in relation to credit card charges;
- Submit a final VAT return;
- Make a final distribution to the secured creditor; and
- Deal with closure matters including drafting and issuing the final progress report, closure of our internal systems, obtaining clearance from third parties and removal of the Joint Administrators' bond.

# Progress since we last reported

In our previous report we outlined a number of tasks we needed to do before the administration could be brought to an end. They fell under the following categories.

## Properties

Together with our solicitors, we have continued to agree to surrender leases by operation of law, or alternatively by formal deed. In the period nine leases were either surrendered or expired, bringing the total to 194.

Leases for 25 properties remain in place and we continue to deal with any surrender requests received. These leases being in place will not prevent the closure of the administration in due course.

We still have public liability insurance in place for the properties where the leases haven't been surrendered or expired. We will settle any refunds due or amounts owed to our insurers in due course. The cost of insuring the remaining properties is c£8.5k for a 6 month period, however due to the amount of properties now surrendered or expired we are currently liaising with our insurers to have this premium reduced.

## Business Rates

In the period covered by this report we have recovered a further £546.17 in relation to business rates refunds bringing the total value of business rates refunds received to £208,268.61 as is shown on the receipts and payments account at Appendix A.

The amounts received relate to a historical error made by a local council as detailed in previous reports. We now understand that all refunds have been collected.

## Sundry Debts and refunds

In the reporting period, we have received £4,617.46 in relation to sundry debts and refunds. This amount relates to a compensation awarded to the Company by HM Court and Tribunal Services totaling £4,088.82. The Company also received £528.64 in relation to a dividend payment received from Gardman Limited - in Liquidation.

## Tax and VAT

As we have deregistered for VAT, we will submit a final VAT reclaim by way of a VAT426 form before the closure of the case in order to recover any further VAT that is due to the Company.

We previously obtained corporation tax clearance and HMRC confirmed that it had no objection to the closure of the administration.

## Creditors

As any unclaimed dividends were paid to the Insolvency Service Unclaimed Dividends Account, any creditors who did not bank their dividend cheque must contact the Insolvency Service directly to receive payment.

## Legal claim

We have continued to monitor the progress of the Company's claim in relation to credit card charges, which is being dealt with by a third party as part of a group action. The third party continues to keep us apprised of its work towards a possible settlement.

As detailed in the last report, an extension of time for service of the claim form was granted until 8 December 2022, pending the outcome of the Supreme Court hearing of appeals in similar claims to assist the parties, and the Court, in reaching a conclusion in the litigation.

Rutland is the only creditor with an economic interest in the outcome of the Company's claim, as any funds received from this claim will be paid to Rutland under the terms of their security. Rutland is supportive of the strategy for continuing to keep the administration open pending the conclusion of this claim.

As the time to resolve this claim is materially uncertain, we have explored options which might enable the administration to be concluded while the claim remains in progress. We do not consider that there are any viable

options currently, however this could change depending on the future status of the claim. We shall continue to pursue the claim in the administration.

## Investigations and actions

Nothing has come to our attention during the period under review to suggest that we need to do any more work in line with our duties under the Company Directors' Disqualification Act 1986 and Statement of Insolvency Practice No.2.

## Our receipts and payments account

We set out in Appendix A an account of our receipts and payments in the administration from 28 February 2022 to 27 August 2022.

## Our expenses

We set out in Appendix B a statement of the expenses we've incurred to the date covered by this report and an estimate of our future expenses.

## Our fees

We set out in Appendix C an update on our remuneration which covers our fees, disbursements and other related matters in this case.

## Pre-administration costs

You can find in Appendix D information about the approval of the unpaid pre-administration costs previously detailed in our proposals.

## Creditors' rights

Creditors have the right to ask for more information within 21 days of receiving this report as set out in Rule 18.9 IR16. Any request must be in writing. Creditors can also challenge fees and expenses within eight weeks of receiving this report as set out in Rule 18.34. This information can also be found in the guide to fees at:

<https://www.icaew.com/-/media/corporate/files/technical/insolvency/creditors-guides/2021/administration-creditor-fee-guide-1-april-2021.ashx?la=en>

You can also get a copy free of charge by emailing Catherine Elliott at [catherine.elliott@pwc.com](mailto:catherine.elliott@pwc.com).

## What we still need to do

The following is a summary of the work we still need to do before the administration can be brought to an end.

- Finalise insurance matters;
- Conclude the Company's legal claim in relation to credit card charges;
- Submit a final VAT reclaim;
- Make a final distribution to the secured creditor; and
- Deal with closure matters including drafting and issuing the final progress report, closure of our internal systems, obtaining clearances from third parties and removal of the joint administrators' bond.

## Next steps

We expect to send our next report to creditors at the end of the administration or in about six months, whichever is the sooner.

If you've got any questions, please get in touch with [catherine.elliott@pwc.com](mailto:catherine.elliott@pwc.com), on 0113 289 4076.

Yours faithfully  
For and on behalf of the Company

Jane Steer  
Joint Administrator

This has been paid back since our last report.

5. Legal fees totaling £5,042.79 relate to the application for the extension of the administration.
6. Administrators' fees are drawn on a fixed fee basis.
7. VAT payable/receivable on trading receipts are included on the main R&P.

# Appendix B: Expenses

Expenses are amounts properly payable by us as administrators from the estate, but excludes our fees and distributions to creditors.

These include disbursements which are expenses met by and reimbursed to an office holder in connection with an insolvency appointment.

Expenses fall into two categories:

Expense	SIP 9 definition
Category 1	Payments to persons providing the service to which the expense relates who are not an associate of the office holder.
Category 2	Payments to our firm or our associates or which have an element of shared costs (for example, photocopying and mileage disbursements, or costs shared between different insolvent estates).

We don't need approval from creditors to draw Category 1 expenses as these have all been provided by third parties but we do need approval to draw Category 2 expenses. The body of creditors who approve our fees (in this case the Secured Creditors) also has the responsibility for agreeing the policies for payment of Category 2 expenses.

The rate for services provided by the Administrators' own firm (Category 2 expenses) may periodically rise (for example to cover annual inflationary cost increases) over the period of the administration. All other disbursements to be charged at cost.

The following table provides a breakdown of the Category 2 expenses that have been incurred by us as administrators or our associates, together with details of the Category 1 expenses that have been incurred by PwC and will be recharged to the case.

The expenses policy set out below has been approved by the secured creditors.

Category	Policy	Costs incurred £
2	<b>Photocopying</b> - up to 10 pence per side copied, only charged for circulars to creditors and other bulk copying.	-
2	Mileage - At a maximum of: <ul style="list-style-type: none"> <li>petrol/diesel/hybrid - 64 pence per mile (up to 2,000cc) or 80 pence per mile (over 2,000cc)</li> <li>full electric - 72 pence per mile</li> <li>bicycle - 12 pence per mile</li> </ul>	-
<b>No disbursements arose in the period</b>		-
<b>Brought forward*</b>		<b>44,461.82</b>
<b>Total</b>		<b>44,461.82</b>

\*In our second progress report, dated 22 March 2019, we didn't report the brought forward disbursements figure from the first progress report. As such, we have under-reported the brought forward figure in subsequent reports. The brought forward figure above now includes the disbursements reported in our first report, which is why it differs from the carried forward figure detailed in our March 2022 progress report.

The following tables show expenses incurred to date and an estimate of further expenses we consider will be (or are likely to be) incurred. Expenses are amounts properly payable by us as joint administrators from the estate, but excludes distributions to creditors and our fees. The estimate also excludes any potential tax liabilities that may be payable as an expense of the administration in due course because amounts due will depend on the position at the end of the tax accounting period.
