2. Joint Liquidators' progress report

2.1. Introduction

On 1 November 2007 Dan Schwarzmann and Mark Batten of PricewaterhouseCoopers LLP ("PwC") were appointed Joint Administrators of the Company.

As previously reported, the Administration concluded on 17 April 2012, being the date the Company went into Creditors' Voluntary Liquidation. In their capacity as Joint Scheme Administrators, the Joint Liquidators continue to implement the scheme of arrangement pursuant to Part 26 of the Companies Act 2006 in relation to creditors with claims arising from contracts or policies of reinsurance or retrocession and non-insurance creditors (the "Cedant Scheme"). Further details are provided below.

Following Mark Batten's retirement from PwC, he was replaced as Joint Liquidator by Nigel Rackham by an order of the High Court of Justice (Chancery Division) dated 21 July 2017, which became effective on 4 August 2017. In addition, Nigel Rackham replaced Mark Batten as Joint Scheme Administrator following a meeting of Scheme Creditors held on 16 October 2017 to ratify his appointment by the Creditors' Committee in accordance with clause 4.2.7 of the Cedant Scheme.

This is the Joint Liquidators' eighth annual progress report to members and all known creditors. Previous progress reports can be found at <http://www.pwc.co.uk/business-recovery/issues/highlands-insurance>

2.2. Liquidation Committee

The Joint Liquidators consult with the Liquidation Committee in relation to significant issues and provide periodic updates on outstanding matters. The last meeting of the Liquidation Committee was held on 21 January 2014. At that meeting it was decided that, given the status of the Liquidation, future Liquidation Committee meetings would only be held when the Joint Liquidators considered it appropriate or when requested by the Liquidation Committee.

2.3. Summary of the Liquidators' actions to date

Cedant Scheme

As previously reported, in February 2014 an initial payment percentage of 15% was set in accordance with the terms of the Cedant Scheme and a distribution to Cedant Scheme Creditors was made shortly thereafter.

The Joint Liquidators continue to monitor the possibility of additional reinsurance recoveries. However, the timing and amount of any such recoveries remains highly uncertain as does the most cost-effective time to make further Scheme payments. At present, no Scheme payments are likely before 2021.

Cash management

The receipts and payments account in Section 3 details expenses met from funds in the Liquidation to 16 April 2020. Funds are held in interest bearing accounts in various currencies as, under the terms of the Cedant Scheme, dividends may be payable to Scheme Creditors in US Dollars and Euros as well as Pounds Sterling.

Statutory reporting

The Joint Liquidators continue to advise the Prudential Regulation Authority ("PRA") and Financial Conduct Authority ("FCA") of any material developments in relation to the Liquidation.

Other matters

During the period covered by this report, the Joint Liquidators filed a corporation tax return for the year ended 16 April 2019. This showed a liability of £3,447, which was settled on 15 April 2020.

2.4. Professional advisers

For ongoing matters the Joint Liquidators have retained the professional advisers that were engaged in the preceding Administration as shown below:

Service provided	Name of firm / organisation	Reason selected	Basis of fees
Legal advice	Clifford Chance LLP	Specialist insolvency and industry knowledge	Time costs, subject to pre agreed budget
Actuarial	PwC	Specialist industry knowledge	Time costs, subject to pre agreed budget and Liquidation Committee approval
Insurance run-off management	Pro Insurance Services Limited	Pre insolvency and specialist industry knowledge	Time costs, subject to pre agreed budget

The Joint Liquidators' choice was based on an evaluation of the advisers' experience and ability to perform this type of work, their knowledge of the complexity and nature of the assignment and the basis of the fee arrangement with them. The Joint Liquidators continue to review the fees charged and are satisfied that they are reasonable in the circumstances of the case.

2.5. Joint Liquidators' remuneration and expenses

As previously reported, during the Administration, the Joint Administrators' fees were fixed by reference to time properly given by the Joint Administrators and their staff in attending to matters arising. The Liquidation Committee resolved that the remuneration basis agreed in the Administration would continue in the Liquidation. The Liquidation Committee passed a resolution approving the Joint Liquidators' costs for the period 17 April 2019 to 16 April 2020 and fees will be drawn pursuant to that resolution.

In accordance with the revised Statement of Insolvency Practice 9 ("SIP9"), which took effect on 1 December 2015, the Joint Liquidators have provided the following information in Section 4:

- i) An analysis of the Joint Liquidators' time costs for the year ended 16 April 2020, including the cumulative total time costs from the date of the Joint Liquidators' appointment;
- ii) A summary of the Joint Liquidators' time costs for the period under review, including the key categories of work, details of the work undertaken, a description of why the work was necessary and whether or not the work was of financial benefit to the creditors or if it was required by statute; and
- iii) Details of estimated future work.

2.6. Statement of creditors' rights

If a creditor believes that the Joint Liquidator's remuneration is too high, the basis is inappropriate, or the expenses incurred by the Joint Liquidators are in all the circumstances excessive the creditor may, provided certain conditions are met, apply to the Court. An application may be made to the Court by any secured or unsecured creditor provided that at least 10% in value of unsecured creditors (including that creditor) agree, or with the permission of the Court. Any such application must be made within eight weeks of receiving this report.

An explanatory note providing creditors with a statement of their rights in relation to the Joint Liquidators' remuneration and expenses, and their rights to request further information, can be found online at:

A copy may also be obtained free of charge on request to the Joint Liquidators.

2.7. Next report and enquiries

The Joint Liquidators will circulate their next report in 12 months' time. If any creditor has any queries in the meantime, please contact Gary Bray on +44 (0)7730733945.

4. Remuneration update

The time charged to the Liquidation is by reference to the time properly given by the Joint Liquidators and their staff in attending to matters arising.

It is the Joint Liquidators' policy to delegate tasks in the Liquidation to appropriate members of staff considering their level of experience and any requisite specialist knowledge, supervised accordingly, so as to maximise the cost effectiveness of the work performed. Matters of particular complexity or significance requiring more exceptional responsibility are dealt with by senior staff or the Joint Liquidators' themselves.

4.1. Hourly rates

Set out below are the relevant maximum charge-out rates per hour for the grades of the Joint Liquidators' staff actually or likely to be involved on this assignment, for the period of this report. Time is charged by reference to actual work carried out on the assignment in six minute units. The minimum time chargeable is three minutes (i.e. 0.05 units). In common with all professional firms, the scale rates used by the Joint Liquidators may periodically rise (for example to cover annual inflationary cost increases) over the period of the Liquidation. However, in this case, the charge-out rates of the Provisional Liquidator's staff have remained unchanged since 2013 as a reflection of the estate's mothballing status.

4.3. Other matters

The Joint Liquidators have not made any payments to associates in the period covered by this report, nor has any work been subcontracted out.

5. Expenses incurred in the period

The following table provides details of the Joint Liquidators' expenses. Expenses are defined as amounts payable by the Joint Liquidators from the estate, they include the Joint Liquidators' fees but exclude distributions to creditors. The table also excludes any potential tax liabilities that may be payable as a Liquidation expense, as amounts becoming due will depend on the position at the end of the tax accounting period.

The table should be read in conjunction with the receipts and payments account in Section 3 of this report, which shows expenses actually paid during the period and the total paid to date.

In estimating future expenses, assumptions have been made relevant to the annual run rate and length of the forecast duration of the Liquidation.
