Key Messages

Why we've sent you this report

This is the eleventh and final progress report prepared by the Joint Liquidators ("**Liquidators**") of LB RE Financing No. 3 Limited ("**LBREF3**" or the "Company").

We're writing to tell you that the Company's affairs are now fully wound up and to provide our final account of the liquidation, including an update on the progress made since our last progress report, which covered the year ended 22 July 2022 (the "**Reporting Period**"). It will help if you read this alongside our previous progress reports.

What you need to do

This report is for your information and you don't need to do anything. The enclosed 'Notice of liquidators' final account before dissolution' gives details of creditors' rights in relation to requesting further information, challenging the Liquidators' remuneration and expenses and objecting to the Liquidators' release from liability.

More information in relation to creditors' rights can also be found in the guide below:

Appointment of Liquidators

On 23 July 2012, LBREF3 moved into Creditors' Voluntary Liquidation following the conclusion the same day of its Administration. DA Howell, MJA Jervis and AV Lomas were appointed Joint Liquidators.

Following a number of applications to the High Court of Justice, the current liquidators are GE Bruce and E Macnamara.

What we've done during the liquidation

The Company's background and reasons for its insolvency.

- The Company is a wholly-owned subsidiary of LB RE Financing No. 1 Limited. It was incorporated in 2007 as part of the Lehman Brothers Group, as a vehicle established to hold Lehman Brother's group's interests in A and B class notes (the "Notes") issued by a number of securitization vehicles.
- In October 2008 a decision was made by the Company's directors to place the Company into Administration, following the insolvency of the ultimate US parent of the Lehman Brothers Group, Lehman Brothers Holdings Inc. ("LBHI") and in order to protect the value in the Notes. Partners from PwC were appointed joint administrators of the Company on 30 October 2008.
- The Company's Administration ended on 23 July 2012, the purpose of administration having been achieved. The Company went into Creditors' Voluntary Liquidation on the same day, in order that the Company's ordinary claims against Lehman Brothers International (Europe) ("LBIE") and Storm Funding Limited ("Storm"), as well as the Company's Class A notes claim against Storm, could continue to be pursued.

Progress during the liquidation

This is our eleventh and final progress report. As explained in our earlier reports, in the previous years of the liquidation we have:

- collected distributions totalling £66.5m from the Company's ordinary, unsecured claims against Storm and LBIE, including the Company's full entitlement to post-insolvency statutory interest on the claim against LBIE, and from the Class A notes claim against Storm;
- realised £1.8m from the sale of tax losses to other UK Lehman entities;
- calculated unsecured creditor claims and paid distributions towards those claims, including an in-specie distribution of the claims against Storm;
- computed and submitted annual corporation tax returns;
- · prepared and issued statutory notices and reports; and
- complied with statutory requirements with regards to management of records and case progression.

When we last reported the key outstanding matters were as follows:

- obtain corporation tax clearance from His Majesty's Revenue and Customs ("HMRC");
- pay a final distribution to creditors; and
- pay the final costs of the liquidation.

The above tasks have been concluded, and these are explained in greater detail later in this report.

Outcome for creditors

All known, unsecured creditor claims were adjudicated, with claims totalling £1.03bn admitted to rank for dividend purposes. Total cash distributions of c.£65.56m were paid to unsecured creditors.

There were no secured or preferential creditors.

Progress since we last reported

Tax clearance

The Company's tax computation and return for the period to 23 July 2022 was submitted to HMRC in August 2022, together with a request for tax clearance. Following payment of the Company's final, de minimis corporation tax liability, HMRC confirmed it has no objection to the closure of the liquidation.

Final distribution to unsecured creditors

A final distribution of £696,304 was paid to unsecured creditors, bringing total distributions to £65,561,894.

Final costs

The final costs of the liquidation were paid, as explained below.

Other Matters

Investigations and actions

Nothing has come to our attention during the period under review to suggest that we need to do any more work in line with our duties under the Company Directors' Disqualification Act 1986 and Statement of Insolvency Practice No.2.

Our receipts and payments account

We set out in Section 2 an account of our receipts and payments in the liquidation from 23 July 2022 to 14 April 2023 and for the liquidation in total.

Liquidators' expenses

Statement of Insolvency Practice 9 ("SIP9") was revised with effect from 1 December 2015 and applies to all open insolvency cases.

In accordance with SIP9, the Liquidators have prepared a statement of the expenses that the Liquidators have incurred during the Reporting Period. This is in Section 3.

Liquidators' remuneration

In February 2015, the Liquidators requested and received approval from LBREF3's creditors for the Liquidators' remuneration to be fixed by reference to the time properly given by them and the various grades of their staff. The Liquidators were also authorised to draw their remuneration to 30 November 2014 and to draw subsequent remuneration on account of their costs from time to time.

In accordance with SIP9, the following information is provided in Section 4 of this report:

- (i) An analysis of the Liquidators' time costs for the period 1 July 2022 to 14 April 2023, including the cumulative total time costs from the date of the Liquidators' appointment to 14 April 2023; and
- (ii) A summary of the Liquidators' time costs for the Reporting Period, including the key categories and details of the work undertaken.

In accordance with the resolutions passed by LBREF3's creditors, the Liquidators have drawn remuneration totalling £1,449k plus VAT in respect of time costs incurred to 14 April 2023.

Time costs for the Reporting Period total £154k plus VAT, which represents 260 hours at an average hourly rate of £592. Details of time costs previously incurred have been provided in earlier reports.

Liquidators' disbursements

Category 1 disbursements comprise payments to third parties, for example in relation to travel costs, statutory advertising and insolvency office holders' insurance. The Liquidators are not required to seek approval to draw Category 1 disbursements.

Category 2 disbursements are for shared or allocated services provided by our own firm including room hire, document storage, photocopying and communication facilities. They must be directly incurred on the case, subject to a reasonable method of calculation and allocation and approved by the same party who approves the Liquidators' fees.

The Liquidators' disbursements policy allows for all properly incurred disbursements to be recharged to the liquidation.

In the Reporting Period, Category 1 and 2 disbursements of £77 and £4 respectively were incurred.

Relationships

The Liquidators have had no business or personal relationships with the parties who approve their fees or who provide services to the liquidation where the relationship could give rise to a conflict of interest.

Creditors' rights

Creditors have the right to ask for information and challenge a liquidator's fees if they believe that they are too high. You can find an explanatory note online at:

 $\frac{http://www.icaew.com/-/media/corporate/files/technical/insolvency/creditors-guides/creditors-guide-liquidators-fees-final.ashx?la=en$

Creditors can request a paper copy of the above guide free of charge by emailing uk_lehmanaffiliates@pwc.com.

What we still need to do

The winding up of the Company is now complete. Following the end of the period within which creditors may object to our release, we will send a copy of this final account to the Registrar of Companies, stating whether any creditors objected to our release. We will vacate office on sending the copy report.

If you've got any questions, please get in touch with Diane Adebowale on 020 7583 5000.

- 1) Statement of Affairs figures have not been provided as the Liquidation follows an administration.
- 2) All of the Company's assets are uncharged, there being no secured creditors.
- 3) Due to the nature of the Company's former business, it is not entitled to recover input VAT on its costs.
- 4) A cash distribution of £20,000 was made in November 2016 to LBREF3's minority creditor in lieu of their share of any future distributions made.

3. Joint Liquidators' expenses

The table below provides details of the Liquidators' expenses. Expenses are defined as amounts payable by the Liquidators from the estate; they include the Liquidators' fees but exclude distributions to creditors. The table also excludes any potential tax liabilities that may be payable as a liquidation expense, other than VAT, as amounts becoming due will depend on the position at the end of the tax accounting period.

The table should be read in conjunction with the receipts and payments account in Section 2 of this report, which shows expenses actually paid during the period and the total paid to date.
