

How to create your avatar

Creating your avatar

When you create an account you will pick a starter avatar from the default avatar collection.

You can change the default avatar collection at any time through the World Customization tab on your Dashboard.

Register

1. Decide on a username for your avatar
2. Register you account with an email and password

Updating your avatar in world

Once you are in the world you can update your avatar. Click the outfit button at the bottom of the screen and the avatar panel will load.

- Use the tile bar along the left-hand side to customise your avatar.
- You can change the hair, facial features, clothes and add accessories.
- Use the options in the bottom left-hand corner to:
- Rotate the camera to see your avatar from different angles.
- Save your avatar once you are happy and then you will exit this screen
Use the buttons and functions to update your avatar as you would like to.
