Get Ready – New UK Immigration System – Are you Ready?

The Government is continuing to press ahead with its proposed changes to the UK immigration system. Even with everything that's going on, now is the time to begin preparations for the **new points-based immigration system** which is **only a few months away**. **Are you ready?** To help you find out we have developed an online **Brexit readiness assessment tool**.

Are you ready for the biggest change to UK immigration in 40+ years?

How will this benefit your organisation?

Our free **Brexit readiness assessment tool** is the ideal starting point for you to evaluate the progress you have made to prepare for the end of free movement and the implementation of the new immigration system on **1 January 2021**.

With so many areas to focus on, our free report will help you identify where to prioritise your efforts and the support available. To mitigate against reputational damage and financial penalties for non-compliance, we have also incorporated questions to assess your capabilities with regards to the **Right to Work checks**.
