Dear Adam,

**Re: Route to Net Zero Standard - Your successful 1st Certification**

I am delighted to confirm that Pricewaterhouse Coopers LLP has achieved the Route to Net Zero Standard – Advancing, and I have great pleasure in enclosing your Certificate and Certification Letter. For completeness, we have also included a copy of your Verification and Certification Report, Verification Assurance Statement and Route to Net Zero Standard Summary Report.

Key information about your assessment, including details of the emissions reductions, carbon management assessment and certification dates, can be found in the Certification Letter. Please keep in mind that all certificates are valid for the duration of the Certification Period specified below

Pricewaterhouse Coopers LLP will receive marketing and communications guidance with suggestions of how your organisation could use the Route to Net Zero Standard - Advancing logo to promote Pricewaterhouse Coopers LLP's achievement to customers, staff, and other stakeholders. If you do not receive this or have any queries, please contact our operations team via email ([assurance@carbontrust.com](mailto:assurance@carbontrust.com)) or phone (020 7832 4655) and we will endeavour to help you.

You can also find out more about the carbon reduction services offered by the Carbon Trust at [www.carbontrust.com](http://www.carbontrust.com) in the run up to recertification.

Thank you again for all your efforts in tackling climate change and congratulations to everyone at Pricewaterhouse Coopers LLP on achieving the Route to Net Zero Standard - Advancing Tier; if you need any further assistance, please do not hesitate to contact your Route to Net Zero Standard client manager.

Yours sincerely

## Route to Net Zero Standard Certification Letter

Certificate Number: CERT- 13316

Carbon Trust Assurance Limited ('The Company') certifies that Pricewaterhouse Coopers LLP ('You') have been awarded the Route to Net Zero Standard – Advancing in accordance with methodology version 1.0.

### Footprint and Reduction

You have been certified on a 16% per annum absolute reduction using the market-based accounting methodology, in line with a 1.5 degree aligned science-based reduction trajectory on the compliance period of 01/07/2020 to 30/06/2021. Further details of your reductions can be found in the table below.

Table 1 – Scope 1 & 2 footprint and reduction

	Baseline Year	Assessment Year	Reductions achieved
	2019	2021	
Scope 1 (tCO <sub>2</sub> e)	1,769	2,160	-22%
Scope 2 (tCO <sub>2</sub> e)	2,218	560	75%
Total (tCO <sub>2</sub> e)	3986	2720	32%

### Organisational Boundary

Your reduction footprint and certification correspond to the following boundary:

All UK Emissions

## Qualitative Assessment

You have been certified with a qualitative assessment score of 73.3%, which reflects your demonstrated effectiveness at responding to climate change through governance, carbon measurements, implementation and stakeholder engagement.

## Materiality

It has been verified that all material non-conformities identified during the sampling performed on the footprint submitted have been closed. If at any time and for whatever reason You or the Company identify any further non-conformities, the terms described in Section 7 ('Re-Certification, Withdrawal of Certification and Complaints') of the Route to Net Zero Standard Assessment Terms and Conditions will apply and require you to inform us

## Certification Period

This Certification is valid for a period of 24 months from 01 July 2021 ('effective date') until 30 June 2023 subject to the provisions in this Certification Letter.

## Communications

In accordance with the Communications rights associated with certification, the present Certification Letter allows You to communicate the certified results and to claim an achieved reduction. Any achieved reduction or other claim made during the Certification Period must be done in accordance with the information present in this Certification Letter.

Any other communication proposed during the Certification Period shall be submitted to the Company for prior approval. Non-standard communications approved by the Company will be documented in the Annexe of this Certification Letter, at the Company's discretion.
